What is Downtown Milton's greatest Weakness as a district?

Vacancies

So many empty buildings, or buildings full of lawyers, shops that are hardly ever open.

Conflict

Lawyers

Staleness

Courthouse

No business

Planning

Traffic

Traffic, growth

Traffic

Engagement

Lacking fun businesses

Traffic jams trying to get in town. Needs more than one lane in and out of town.

Vacancies

Shopping

Access

traffic

Cohesion

Hwy 90

Parking

Vacant buildings

Businesses

shopping

Empty

Emptiness

Popular and fun
BETTER
Robust riverfront with shopping & dining choices.
Expanding
Vibrant
Togetherness

If you could spend all CRA dollars on one project, for one year, what would that one project be?

Getting businesses in those empty buildings or turning them into apartments - bringing tax dollars into the town

Keeping the Imogene historic but filling it with great entertainment that people want to come see!

Riverfront improvements and activities

Park development and business development

Revert courthouse to shopping

Establishing food truck space.

Bring in new business that would bring in shopping.

Breaking up some of the concrete and adding more green trees and grass. More attractive lighting at night and making Milton more like a Fairhope, Alabama. Attracting people to dine and shop.

Marina with rental slips

Traffic modification to route through traffic away from downtown.

Enhance the Jernigan Landing area with permanent structures, stage, dance area.

Outdoor movie nights

To find a solution to traffic flow issues (better light configurations/timings) and/or an alternate route across the river that doesn't destroy historical downtown and allows for bypass traffic to not congest downtown.

The second bridge allowing more lanes for traffic

Business-friendly

Turn the old courthouse into shopping and eateries. Expand Bands on the Blackwater events. Get people to go downtown to enjoy outdoor and indoor events.

Finding a route for US90 through or around downtown Milton

Commercial incentives to attract businesses that would preserve remaining historic storefronts and locations.

Clean up and create appealing walkable areas along/off Hwy 90 that appeal to new better level businesses.

Expand Downtown to the Riverwalk area. Ideally dog & family friendly breweries and restaurants with a focus on outdoor seating to accommodate all generations of the community.

Permanent concert and or amphitheatre to host more events

Roads

Bring more shopping and dining choices. Right now, one needs to travel to Pace or Pensacola for shopping for clothes or having nice dine in choices.

Bring restaurants and entertainment

Turning old courthouse into a flea market/art gallery with classes/live music/cheap eats/and open to the public.

Small business development of the Arts for the community by the community.

Revitalize courthouse

Doing something incredible with the future "old courthouse" building.

Redevelop old courthouse site

Draw in diverse small businesses owned by diverse individuals, providing opportunities for those businesses to operate autonomously without bullying from the few property owners

Buy and restore all historic buildings such as exchange hotel, Imogene theater, the courthouse

Hmmm...

A total revitalization effort, which would include the area from Carpenter's Park to the Blackwater Bridge, designed to encourage young families to live and utilize the surrounding businesses, facelift for the many buildings lining Hwy. 90. The Courthouse would probably make a great place for a few apartments, right on t

Restoring the downtown area, adding new businesses and a children's play area.

Tear down the old court house and it's extensions made over the years.

Riverfront retail

Revitalizing downtown. Relocating businesses related to the courthouse to create a family friendly entertainment district. Demo courthouse and create outdoor amphitheater with ample parking...or rehab existing building into a mall.

Affordable housing for struggling families due to Covid

RENOVATING BUILDINGS TO THEIR PAST GLORY, CREATING A WALKING BRIDGE(S) FOR PEDESTRIANS NEEDING TO CROSS OVER HIGH TRAFFIC AREAS.

Nice street lights, landscaping

Fixing up the old buildings that are falling apart and turning them into new businesses ex. restaurants, small shops, outdoor venues, dog parks, etc. (I.e. Adding businesses that have a chance to be successful and not just lawyers offices.)

waterfront development

Creating infrastructure to allow businesses/restaurants to move in instead of lawyers. Milton loses out money because they have a poor downtown and pensacola's downtown is just better in every way.

Enhance the appearance of the storefronts and many rundown homes.

Moving the Bail bondsman Signs, and moving Criminal assist offices includ criminal attys to the outside area of the downtown district, Clean up the current Exterior of the Downtown offices and businesses, outdated, not eye pleasing. Actually move in and occupy the downtown strip vacancies with retail-revenue, new ret

Old courthouse

Downtown Restoration and sidewalks to the Park

Bring in meaningful business opportunities, restaurants, recreation, shops, and boutiques; which will create more jobs and spending and the quality of living.

revitalize downtown businesses

Begin a plan to add a 4 lane bridge coming over using the old Spanish trail walking bridge and continue on to hit Old Hwy 90 where it intersects with Canal Street.

Infrastructure

Convert Courthouse into a concert space with adjoining hotel rooms and parking garage; add connecting overpass walking between courthouse and water area.

Make revisions to the truck routing. 18 wheelers on Canal St and Elmira St are ridiculous and the noise from large trucks and motorcycles and teen drivers who think downtown is the Baja Race are dangerous. Both of these streets are slow zones as is this end of Berryhill, but why bother with signs if no one polices this area

Waterfront cafe.Rooftop cafe looking over the water.

Second bridge from East Milton over river to Berryhill Rd. one way heading west.

Bridges

Boardwalk to Carpenters Park! The River is beautiful and its a shame we can't walk it!

The Riverwalk would be the main attractions with a variety of shops, restaurants [small and large], and weekend events.

Business and/or Residential Development Incentives (including supporting adaptive reuse of SR County Courthouse)

Food trucks area

The one thing in the Downtown Area that needs to be fixed right now is.....(be specific)

Empty buildings should have businesses in them - I don't pretend to know how to do that by any means but those empty buildings say "loser," "has-been," and "come-spray-paint-on-me"

Making downtown look upscale and getting in good shops and restaurants

Turn courthouse into museum or library (or both.) widen hwy 90. Move the building with the "historic" bricks. Empty law offices will make great shops ie... bait and tackle shop.

The traffic flow during rush hour

The empty buildings

Potholes

Transportation system

Restaurants on the water. Lawyers and Paralegals elsewhere.

Traffic

Through traffic heading to Alabama, they drive like crazy people.

Permanent stage and dance area.

ure (stormwater, street paving, parking, etc.);Crime;Housing (new housing at all price points);Transportation;

Traffic flow issues, especially at Willing/90 intersection that cause a ripple effect with traffic backup.

Need more lanes for better flow of traffic

Occupancy

Shopping, such as unique waterfront type shops you would see at the beach, along with eateries open on the weekend. There is nothing to do downtown.

ew housing at all price points);Infrastructure (stormwater, street paving, parking, etc.);Transportation;Crime;

Traffic through or around Downtown Milton. US 90 through downtown is unacceptable, especially when there is an issue on I-10

Attract businesses that will preserve historic buildings and entertain locals and out of town folks alike.

Requiring businesses to clean up and beautify frontage. Creating walkable areas

Local attractions such a breweries to keep the community dollars in Milton instead of Pensacola.

Rid of the lawyers offices and vacant buildings to make room for small business and resturants

Traffic

traffic

Morerestaurantsandbars

Storefronts that aren't open need to be replaced with businesses for daily usage.Also criminal offices should be relocated off the downtown area to allow business to open something suitable for everyone, not just court related services.

ure (stormwater, street paving, parking, etc.);Housing (new housing at all price points);Crime;Transportation;

Widen Hwy. 90, including the bridge, for traffic flow.

Red light timing

Parking

Highway 90. It would be great to have a bypass so that heavy trucks and other commercial vehicles don't need to go through the historic downtown area.

Traffic moves too quickly down 90 through down town and limits the ability to notice businesses or the charm.

Racism and us versus them attitudes

Traffic rerouting

More to do and see - restaurants, theater, and events

The power that lies in the hands of a few people, not from Milton, who hold the Downtown Historical District hostage with their vision of it, therefore nothing ever gets off the ground downtown.

More small businesses, more pride in the buildings.

Stop consideration of four laneing Hwy 90. Split the east -west corridors by one or two blocks

Bathroom in the downtown that's Accessible at all hours

Traffic

Roads are in bad shape

Traffic

Remove courthouse upon new court being opened

Drug deals going on in one or more of the houses in the downtown area, vehicles in an out within minutes. Also speeding through the downtown area. Speed bumps should be put in place in the city to help with these speeders that cut through when traffic backs up. Police need to be more visible. Sorry there is not jus

PARKING

Old street lights paving

More attractions and reasons to go other than to see the river. More resturants, small brewhouses, picnic areas, dog parks etc.

Restaurants worth going to.

Plans for the old Courthouse.

Putting new Retail in at the Downtown strip. Something with beautiful classy curb appeal/ of value, not 2nd hand clothing, something to make you prouder to be in Milton ex: antique store, cafe, upscale clothing, and please remove that toy storage out of the window it's an eyesore. And if I am just throwing it out there n

Traffic

Roads and Sidewalks to Park

The Downtown Area desperately needs to bring in more businesses and recreation that would attract more jobs and social outlets for our citizens, especially our young people, who move away from here the first chance they get. We need to keep our money in Milton and STOP relying on surrounding areas (Pace and Pen

viable businesses

ent, new parks);Crime;Pedestrian/Bicycle Amenities (sidewalks, bike lanes, benches, lighting, crosswalks, etc.);

Infasturcture

ches, lighting, crosswalks, etc.);Infrastructure (stormwater, street paving, parking, etc.);Transportation;Crime;

Traffic control which includes, limiting the weight of trucks which tear up the streets, enforcing the speed limits, making the "Y" street between Canal and Elmira Streets a dead end, insisting ambulance services use the main roads instead of using screaming siren

Lack of a cafe.

Traffic light timing

2 more Bridges

4 lane Hwy 90!!!

Traffic Flow

Removing the old courthouse, a downtown area with a center stage, [round about], for various events, with a larger band around for food trucks, specialty stands, and food.

Berryhill as Highway 90 Alternate Route (no trucks) with 2nd Downtown Bridge and retain current 90 as Truck Route. Approximately 40% of traffic during peak times is currently using Berryhill/Broad Streets to reach Highway 90 via Willing Street, a major cause of the traffic congestion. With a new bridge using the Berryhi

What do you think is the biggest challenge facing Downtown Milton?

I can't figure out why people don't want to put up shops there or build garage apartments - if we had walking traffic and a coffee shop or wine bar, more people would come and then more business would come.

Politicians doing what's right for downtown

Keeping "old" things for the sake of keeping them. Though they are useless.

Diversity in business

The courthouse not being moved. It halts any kind of progress.

Dying out

You need to use the water. Buildings on the water should be used for the people of Milton to enjoy food and entertainment. Lawyers should not occupy all of the prime property on the water.

Traffic

Slow growth with limited area.

Traffic

Traffic

Getting the community to get involved/provide support towards growth project

Freeing the traffic to flow better

Fdot

Lack of anything to draw people downtown continually

Traffic

Lack of business and retail presence

People afraid of growth

Small business that will last

Congestion

lack of business.

Bringing businesses in

Lack of family business/entertainment establishments

Small size

Traffic.

Opposing groups against each other for pure pleasure.

Dysfunctional city council/incompetent city council members

Established belief systems and ideologies that are inherently contrary to growth and innovation

Traffic

You can't say it enough. I hear it over and over and over "the Historical Society kills every idea.

Empty buildings

BOCC

Need more Healthy restaurant options

Lack of commercial opportunity

Transportation

Traffic.

Transitioning from no courthouse to a "Seville Square" type environment to attract locals and tourists to Blackwater and downtown for festivals.

Getting intelligent people on the city council.

TRAFFIC

Lots of run down structures

Lack of businesses worth going to

Getting over the "history" of it. Most of those buildings do not matter and bring no economic value. Aside from the imogene.

Hwy 90

The lack of retail in the strip and curb appeal including billboards.

Government

Highway 90

There has been very weak, one-dimensional vision, in developing Downtown Milton.

Safety and drug trafficking around Canal Street, Mary Street, etc

Infrastructure

Maintaining economic partnerships that draw businesses to the area

Finding qualified leadership

Shopping

To old

Routing traffic

The Courthouse!!

Traffic & lack of dining & entertainment facilities.

Development

Alternate route for Highway 90

Getting people engaged in downtown

What do you think is the second biggest challenge facing Downtown Milton?

It appears the city council is working against each other rather than with each other.

Needs good shops and more restaurants

Underutilized riverfront

Traffic

Growing businesses.

Bring in shopping

Planning for best use of buildings and streets for the benefit of the public.

Waterfront expansion

Through traffic

Parking

Entertainment opportunities

Traffic issues to support current status, much less growth

Safety of our people

Courthouse

Infrastructure

Competition with Pace

Politics

Keeping out big business and ruining small town feel

Too few businesses

Too much traffic going through on 90.

Parking

Letting old courthouse go unused like Imogene and several historical buildings downtown

Accessibility

Lack of grocery and other stores near East Milton to help reduce traffic on Hwy. 90.

Lack of attention to the rest of city limits.

Reimagining Hwy 90 corridor/redirecting traffic

Outdated, archaic policies and laws that limit growth and innovation

Willingness to to assist growth of historic preservation and helping small businesses make improvements

We need a group of individuals on the County Commission that spends as much time trying to solve problems AS A GROUP, as they do trying to "outdo" each other.

Drugs and crime

Establishing a vision / blueprint to guide development over the next decade for both government and private development.

Empty or not open businesses

Traffic

Housing

Lack of commerce

Learning to welcome new businesses to downtown without setting up unnecessary obstacles to make opening a business more costly or time consuming.

same answer as 14.

NEW WORLD IDEALOGY

Poor landscaping

Everything getting run down

Getting young people to be interested in going to downtown Milton over downtown Pensacola.

Old Courthouse

Community growth, the butterfly house isn't even open yet, what is going on with the Imogene Theater?

Places besides Downtown

Businesses

There are no meaningful business or recreational opportunities/jobs.

Need sidewalk to extend on Canal Street past Walker Street on right side of roadway to Jackson Lane. There is a lot of foot traffic and bicycles that have to walk or ride in the roadway or very high weeds.

Job Opportunities

Traffic

Energetic citizens who have a vision for Downtown's future

Cafe

In fighting

Lower cost for business incentive

Hwy 90!

Growth

Adaptive reuse of Santa Rosa County Courthouse and reopening of Oak Street

Business

What do you think is the third biggest challenge facing Downtown Milton?

Lack of housing for students, workers and military. Not everyone can buy a 2500 3/2 and trailers are just tacky.

Milton needs a better reputation

Lack of restaurants/ stores

Infrastructure

Infrastructure

Safety

It needs to attract all types of people and ages. Tourists as well as locals. It needs to be classed up. Bands on the Blackwater should not all be country. Consider Contemporary and Christian Music as well.

Growth

Alcoholics ruining it for family

Businesses that stay open later than 9:00 on Friday and Saturday nights.

Attracting businesses to come here that would provide activities for the many military and civilian adults that live here to do rather than driving to downtown Pensacola every weekend

Safety of our property

Business-friendly

Business opportunity and incentives.

Milton has no specific activities or enough businesses to attract residents.

Laziness

Creating an environment of healthy living and wellness

Old unused buildings. Tear them down. Make open space

civic leadership

Lack of businesses geared towards entertainment and living

Poor commercial planning. Two competing tire stores side by side, for one. How many car washes do we need? People go to Pensacola to find a good restaurant.

People

Resistance from oldtimers to new ideas; "love it or leave it" attitude

Lack of suitable, usable space for individuals to establish businesses

Politicians who are narrow minded and seeking personal advantage in all decisions making

Milton's leaders have gotten way behind the 8-ball on meeting growth, as you see by Pace being the main breadwinner in this area.

Traffic

Funding

Traffic

Pace

Community

Parking

The funding needed to pay for permanent facilities for events. Need a beautiful gazebo where the courthouse is now and design a green area for art shows, music festivals etc.

Putting in a new sewer line on my street, when everyone else in the city has been changed out over the years.

DETERIORATING BUILDINGS

More food restaurants,

Housing getting run down

Getting restaurants and events regularly.

Storefronts

The outdated exteriors to the Mary st Gas Station to the awful Welcome to Milton Bail bondsman bldg on the way in from East Milton, geez.

Negative people

Entertainment

The traffic flow.

Better lighting of streets in poverty areas.

Inclusion for and from residents within communities

Homelessness

Opposing sides, one wants Milton to never change, never grow, and the other side has a vision for Milton to have events and restaurants and a place for music recitals, plays, exhibits and community. They appear to be irreconcilable.

Tourism

Courthouse moving

Free Parking

Commercial Development

Individuals working together for a greater purpose

Incentivizing business and residential development

Interest

I am a (Check all that apply)
